## ABOUT US :

This is to introduce Punjani Scientific Industries, as manufacturers and traders of Scientific & Surgical equipment for the last 45 years. Punjani Scientific Industries was established in the year 1967 in New Delhi, India. Ever since its inception, it has increased its facilities to manufacture and trade a wide variety of quality SCIENTIFIC & GENERAL LABORATORY ITEMS.

Punjani Scientific Industries pioneers the Indian scientific ,surgical and laboratory equipment industry. We're constantly working to produce a better product, at a more affordable price, faster, more efficiently and with better quality and functionality than our competitors.

## OUR MISSION :

### QUALITY

Our mission is to deliver quality products at good prices to the customer. And sold our products throughout the world through local self managed dealers, expoters based in India and a strong network of our own supplies to the customer directly.
